Essential oils are carriers of light with therapeutic benefits for the body, soul and spirit. At Blissful Health, you can choose from a wide variety of 100% natural and pure synergies and aromatic essences from Zayat Aroma.

It is crucial to get high quality oil if you want to enjoy its benefits, and the oils formulated by Mikael Zayat are the finest available.

What makes these oils so special?

Mikael Zayat has been formulating top-notch aromatic blends for over 35 years without artificial ingredients. Each blend is a labour of love, honouring Mother Nature. Mikael creates single oils and blends using only nature's finest, properly harvested plants. If Mother Nature gives more sun than usual to a plant before harvest, Mikael will not destroy this gift to standardize the blend. Instead he keeps Mother Nature's precious elements active in the blend. Everything is done by hand and sealed with tender loving care. Mikael is gifted with the ability to tune into the frequency of the oils, so that all the different components harmonize perfectly for the task required. By honouring nature's wisdom, Mikael's creations cannot be duplicated. Blissful Health is proud to offer these unique oils and blends.
